“But when he comes, the Spirit of truth, he will guide you to all truth...” JOHN 16:13

Jesus sent the Holy Spirit to help us know and live the truth. To prepare ourselves, we need to open our hearts to receive this gift before he can give it. Develop a daily prayer routine to ask the Holy Spirit to help guide our thoughts and actions.

READINGS AND WHAT DO THEY MEAN?

First Reading Proverbs 8:22-31

God created Wisdom before he created the earth or the skies. This spirit stood beside God every day until the earth was complete, then “found delight in the people of the earth.” This indicates that the spirit of wisdom was later personified by Jesus.

Second Reading: Romans 5:1-5

Paul says that we are now at peace with God through our faith in Jesus. We also hope to

see the glory of God. This hope will not leave us disappointed because of the love God has shown in sending us the Holy Spirit.

Gospel: John 16:12-15

Jesus tells the disciples that when he leaves them, a spirit will help guide them to the truth. This Spirit will announce what he hears from Jesus, rather than speaking on his own. Everything God has also belongs to Jesus, which is why those things announced by the Spirit will actually come from Jesus.

World Message of the Blessed Virgin Mary

Message of April 25, 2016

“Dear Children! My Immaculate Heart bleeds as I look at you in sin and sinful habits. I am calling you: return to God and to prayer that it may be good for you on earth. God is calling you through me for your hearts to be hope and joy for all those who are far away. May my call be for you a balm for the soul and heart so that you may glorify God, the Creator, who loves you and is calling you to eternity. Little children, life is short; you make good use of this time and do what is good. Thank you for having responded to my call.”

Defending our Religious Liberty

The fight for religious freedom is not a Catholic issue, not a Jewish issue, not an Orthodox, Mormon, or Muslim issue. It is an American issue. The passage of the Affordable Care Act has dangerous implications on all religions. If we permit the government to have the final say on what type of health care coverage a religious organization must provide, we are basically enabling them to interfere in all religious liberty concerns in areas such as immigration
